Thank you to the 2017 exhibitors; your continued support helps make the American Indian Art Show | Marin a success. Heading into our 34th year, we are inspired by your perseverance and grateful for your loyalty. 2017 saw us embark on a two-show strategy over consecutive weekends beginning with the San Francisco Tribal and Textile Art Show and concluding with the American Indian Art Show | Marin. We remain committed to crafting the San Francisco Tribal Art Week, reflective of the dedication and passion we share with you for the ethnographic arts. We at KR Martindale take great pride in producing events which combine quality material, camaraderie, and tradition. The show will be advertised extensively on a local and national level as we continue to explore new ways to spread the word and market the American Indian Art Show | Marin to our dedicated buyers and new collectors alike. Our ultimate goal is to generate healthy sales for all the show's participants.

We truly appreciate your commitment and dedication. To all the new exhibitors, Welcome to the show! We look forward to working with you all.

The show room rate of **\$169/night is available until Monday, January 22: Ask for the “AMERICAN INDIAN ART SHOW RATE.”** After January 22, the room rate will be the market rate.

**HOTEL ROOM and SELLING POLICIES:** All parties selling out of the hotel rooms at Embassy Suites are required to obtain a permit from our office to do so. Numbered permits will be issued through KR Martindale Show Management and must be displayed in your hotel window. Each listed exhibitor will be entitled to a permit without charge. This policy became necessary due to vendors who were not affiliated with the Marin Show setting up and selling in the rooms. The corporate policy of The Embassy Suites does not allow selling of any kind in their rooms; however, they have granted our exhibitors permission due to our rental of the hotel for the Marin Show. Your compliance not only keeps us in good standing with the hotel, it also aids in maintaining the caliber of materials sold at the show. If you are **not** a participating exhibitor at the Marin Show, you may purchase a room sellers permit from KR Martindale (**permit cost is \$495.**) As always, please abide by the Embassy Suites policy of not putting any holes, no matter how small, into hotel walls. Even if you fill in the holes, it is against hotel policy and you will be charged for damages.

Another option is The Four Points Sheraton, 415-479-8800, located just across the freeway about a mile from the center. Their rate is very reasonable and includes breakfast and a shuttle to the Marin Center. The show rate of **\$129/night is available until January 16, 2018:** just ask for the **AMERICAN INDIAN ART SHOW RATE**. We have arranged for these rates to be available from 2-9-2018 to 2-19-2018, to accommodate guests who want an extended Bay area visit and are interested in attending The San Francisco Tribal and Textile Art show.
